

# JUNIOR JACKS

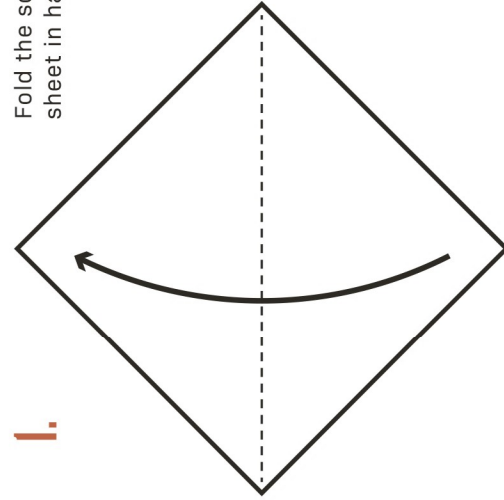

## ACTIVITY SHEET

### HOW TO MAKE AN ORIGAMI SWAN

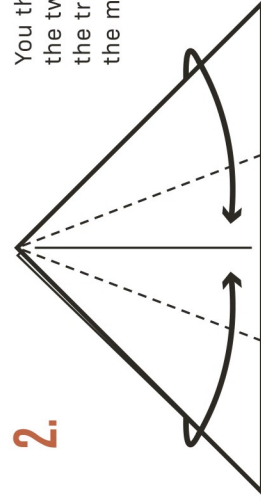

Follow this step by step guide to make your very own Origami Swan!  
Make sure that the paper you use is **square** (and not standard A4 size).

1.

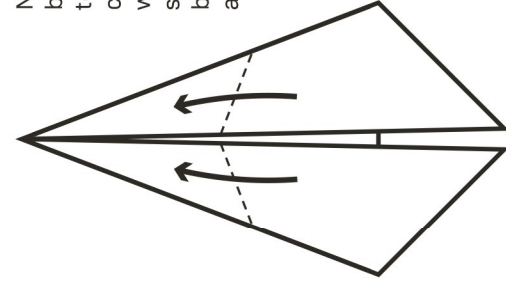

Fold the square sheet in half

2.

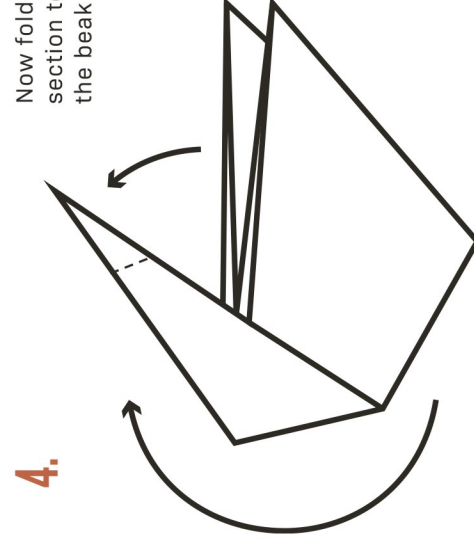

You then fold the two sides of the triangle into the middle

3.

Next fold the bottom section to the top tip create the wings, make sure you fold both sides at an angle

4.

Now fold the top section to create the beak

5.

You've made you Origami Swan! It is now ready for you decorate
