

INFORMATION FOR SUPPORTERS WITH A VISUAL IMPAIRMENT

We look forward to welcoming you to the Swansea.com Stadium. If you have a visual impairment, you might find the following additional information useful ahead of your trip to SA1.

The information on this page is also available as a PDF in BLACK ON YELLOW. (Click [HERE](#) to get access to this version.)

If you have any further questions or require more information, please contact us by emailing accessibility@swanseacity.com

ASSISTANCE DOGS

We welcome all recognised assistance animals, such as guide dogs for the Blind, disabled support dogs and hearing dogs for the Deaf.

Supporters are kindly asked to notify ticket office staff at the time of purchasing tickets so an appropriate seat can be assigned which will provide the necessary space. Additionally, a designated relief area can also be arranged nearby.

Tickets can be purchased in-person at the Ticket Office, or on the phone by calling 01792 616 629 (select option one) between 9am and 5pm, Monday – Friday.

Click [HERE](#) for more information on buying tickets.

AUDIO COMMENTARY HEADSETS

For blind or partially sighted supporters, we offer a complimentary headset for matchday commentary, which uses the local hospital radio commentary feed.

These headsets can be requested via stewards on the day or booked in advance in one of the following ways:

- * Visiting the ticket office in person
- * Calling the ticket office on 01792 616 629 and selecting option one. Normal ticket office opening hours are as follows: Monday-Friday: 9am-5pm
- * Emailing accessibility@swanseacity.com
