JOB TITLE First Team Opposition Analyst
DEPARTMENT First Team Analysis

RESPONSIBLE TO Head of Analysis

SALARY Competitive
CONTRACT Permanent Full-time, 40 hours a week
WORK FLEXIBILITY The position will involve working irregular hours; evenings, weekends and bank holidays
Location Fairwood Training Grounds, SA2 7JX

THE ROLE

Swansea City AFC is seeking a highly motivated and detail-oriented Opposition Analyst to support the First Team throughout the 2026–27 EFL Championship season. The role will focus on delivering high-quality tactical and data-driven insights aligned with the club's football philosophy—emphasizing structured build-up play, positional discipline, and intelligent pressing.

The successful candidate will play a key role in ensuring the coaching staff and players are optimally prepared for each Championship fixture, providing tailored analysis on opposition teams and contributing to Swansea City's competitive edge.

RESPONSIBILITIES

- Lead opposition analysis for all EFL Championship fixtures, as well as domestic cup competitions where required.
- Analyse upcoming opponents' tactical identity, including build-up structures, pressing triggers, defensive organisation, and transition behaviours.
- Identify key opposition players, highlighting strengths, weaknesses, and potential tactical matchups relevant to Swansea City's playing model.
- Produce detailed pre-match reports and video presentations tailored specifically to Swansea City's tactical approach.
- Deliver concise and engaging analysis sessions to coaching staff and players at Fairwood Training Ground.
- Collaborate with the First Team Head of Analysis and coaching staff to ensure analysis directly informs weekly training plans and match strategy.
- Provide live matchday support at Swansea.com Stadium, delivering real-time insights and opposition adjustments.
- Maintain a dynamic database of Championship opponents and tracking tactical trends, formations across the season.

- Demonstrable experience in football performance analysis, ideally within the EFL Championship or a comparable elite environment.
- Strong knowledge of Championship-level football, including physical demands, tactical variability, and league-specific trends.
- Advanced proficiency in industry-standard analysis tools (e.g., Hudl Sportscode, Wyscout, Genius Sports, or similar).
- Deep understanding of tactical frameworks, including positional play, pressing systems, and transition phases.
- Ability to translate complex data and video into clear, actionable insights for coaches and players.
- Excellent presentation and communication skills.
- Strong organisational ability with proven experience managing tight turnaround times between fixtures.

Desirable Qualifications

- Degree in Performance Analysis, Sports Science, or a related discipline.
- FA Level 2 (UEFA C) coaching qualification or higher.
- Familiarity with Swansea City's playing philosophy and operational structure.

Personal Attributes

- High attention to detail and analytical mindset.
- Strong alignment with Swansea City's footballing identity and values.
- Ability to thrive in a fast-paced, high-pressure Championship environment.
- Proactive, collaborative, and adaptable approach to problem-solving.
- Commitment to continuous professional development and innovation in performance analysis.

Performance Measures

- Accuracy, clarity, and relevance of opposition analysis delivered to coaching staff and players.
- Impact of analytical insights on match preparation and in-game tactical decisions.
- Feedback from First Team Manager and coaching staff.
- Efficiency in delivering outputs within tight Championship scheduling cycles.
