Bag Search and Prohibited Items Policy

Swansea City AFC have a restricted bag policy at the Swansea.com Stadium. All personal bags must adhere to the below guidelines, or risk not being permitted into the stadium. All bags will be checked at all entry points before entry into the ground.

Personal bags of A4 size or smaller are permitted into the stadium, however these will be searched prior to entry.

Large bags greater than A4 in size are usually not permitted into the stadium. However, these may be permitted, subject to judgement by security staff, or if pre-approval has been authorised by stadium management.

Prohibited Items' are those items which have been determined by legislation as being 'inherently dangerous' and are therefore prohibited within the stadium. Prohibited items may also include food and drink which the Club do not allow to be brought in, as these can be purchased when inside the stadium. Prohibited items include, but are not limited to the following items:
